YOUR CAKE EXPERIENCE

Fay will be with you every step of the way throughout your entire cake planning journey.

Starting from your initial enquiry all the way through to the delivery and set up of your wedding cake.

Step one

Once you've secured your wedding date and venue, reach out to me to check my availability. You can do this by completing the contact form on my website.

Step two

Upon receiving your enquiry, I'll get back to you within 48 hours to confirm my availability for your chosen date. If I'm available, I'll send you follow-up questions to gather essential details about your wedding, including guest numbers, location, and preferred design style. Based on this information, I'll provide an initial price estimate, considering cake size and delivery requirements. You can also find pricing guidance on my website for an indication of costs based on your numbers.

Step three

If you decide to move forward and secure my services, a non-refundable booking fee of £100 is required. Subsequently, we'll schedule a design video consultation via Zoom—an informal discussion to delve into specifics such as flavor recommendations, color palette, textures, design elements, and the cake's setup at your venue. In-person appointments are also available out with the busy wedding season.

Following our consultation, I will create a variety of hand-drawn sketches based on our conversation and provide you with a personalised quotation for these designs. Approximately ten weeks prior to your wedding, we'll confirm the final details of your cake, and the remaining balance will be due at eight weeks.

In the week leading up to your wedding, I'll coordinate with your venue's coordinator or planner to ensure seamless execution. On the day of your wedding, I'll arrive promptly at the agreed-upon time to set up your finished cake discreetly. Additionally, if needed, I'll add any extra styling to the cake table. Detailed information about allergens, cake care, and cutting instructions will be emailed to your venue coordinator.

With everything in place, all that's left for you to do is relax and enjoy your wedding day.

TASTE FAY'S CAKES

Once you've confirmed your date with Fay's Cakes and would like to experience the taste of my cakes, you can do so by placing an order for one of my tastier boxes. These tasting boxes are available on specific dates, which occur 2-3 times a year.

I understand that you might wish to taste my cakes before securing your wedding date. To do so, you can simply pre-order one of my cake taster boxes.

For up to date costs please refer to www.fayscakes.co.uk

Each box contains 6 portions of my most popular cake flavours, thoughtfully selected by me. Before sending out the boxes, you will receive an email containing the menu for your tasting box, as well as relevant details.

Fay selects and reveals the cake flavours before they are released.

In the event that you choose not to order a taster box, I want to assure you that you'll still be delighted with the flavours you decide upon for your cake. Over the years, I've perfected my recipes, ensuring that all the flavours are delicious. For example, if lemon isn't typically your preferred flavour, I'm confident that my lemon cake will pleasantly surprise you. Feel free to explore Fay's MENU for more insights at www.fayscakes.co.uk

Equally Beautiful & Delicious.

Fay did the most amazing job with our wedding cake!

We hadn't seen a cake that we wanted but from my very hazy description of what I was after, Fay was able to absolutely knock it out the park and gave us the most perfect cake!

Equally beautiful and delicious. Fay was great throughout and highly recommend her for any of your cake needs!

The most beautiful cake you've ever made!

I may be biased but I'm convinced this was the most beautiful cake you've ever made! I was staring at it all day. I could not wrap my head around the fact those were sugar flowers and not real flowers...This cake was absolutely gorgeous from top to bottom!!! Thank you so much for bringing this cake to life!

Hi Fay I just wanted to say a massive thank you for Kirsten and Frasers cake last Friday. They loved how it looked and tasted. I also thought it was delicious! and the chef commented how well it cut too. Will certainly keep you in mind for future weddings. Many thanks!
